যারা ঈমানদার, তারা এমন যে, যখন আল্লাহর নাম নেয়া হয় তখন ভীত হয়ে পড়ে তাদের অন্তর। আর যখন তাদের সামনে পাঠ করা হয় কালাম, তখন তাদের ঈমান বেড়ে যায় এবং তারা স্বীয় পরওয়ার দেগারের প্রতি ভরসা পোষণ করে।

ईमानवाले तो वही लोग है जिनके दिल उस समय काँप उठे जबकि अल्लाह को याद किया जाए। और जब उनके सामने उसकी आयतें पढ़ी जाएँ तो वे उनके ईमान को और अधिक बढ़ा दें और वे अपने रब पर भरोसा रखते हों..../8/2

And strive for Allaahu.ﷻ with the striving due to Himﷻ. Heﷻ has chosen you and has not placed upon you in the religion any difficulty. [It is] the religion of your father, Abraham. Allaahu.ﷻ named you "Muslims" before [in former scriptures] and in this [Al-Quraanu] that the Messenger may be a witness over

you and you may be witnesses over the people. So establish prayer and give zakah and hold fast to Allaahu ﷻ. He ﷻ is your protector; and excellent is the protector, and excellent is the helper.

कामना करेगा कि काश! उसके और उस दिन के बीच बहुत दूर का फ़ासला होता। और अल्लाह तुम्हें अपना भय दिलाता है, और वह अपने बन्दों के लिए अत्यन्त करुणामय है

সেদিন প্রত্যেকেই যা কিছু সে ভাল কাজ করেছে; চোখের সামনে দেখতে পাবে এবং যা কিছু মন্দ কাজ করেছে তাও, ওরা তখন কামনা করবে, যদি তার এবং এসব কর্মের মধ্যে ব্যবধান দুরের হতো! আল্লাহ তাঁর নিজের সম্পর্কে তোমাদের সাবধান করছেন। আল্লাহ তাঁর বান্দাদের প্রতি অত্যন্ত দয়ালু।

తవక్కులు-The Arabic word "Tawakkul" is a masdar (verbal noun) derived from the fifth form of the Arabic root وكل (w-k-l). It translates to "to give oneself over to, to rely/depend on, or have confidence in another".

Tawakkul (Arabic: توكّل) in the Arabic language, is the word for the Islamic concept of the reliance on God or "trusting in God's plan".[] It is seen as "perfect trust in God and reliance on Him alone."[] It can also be referred to as God-consciousness.[] In fact, the Qur'an speaks of the fact that success is only achieved when trust is in God and the believer is steadfast and obeys God's commands.[] It is said that because God created everything and therefore everything belongs to him, it is selfish to want anything other than what God wants or not want something God gives to you.[]

Quranic references: the active participle form of tawakkul is used in 38 passages in the Qur'an.[]

And whoever puts all his trust in Allaahu,s.w.t, He will be enough for him. (Quran 65:3) []

And put all your trust [in Allaahu,s.w.t], if you truly are believers. (Quran 5:23) []

Allaahu,s.w.t is Rabb of the east and west, there is no

deity except Him, so take him as your Protector. (Quran 73:9) []

Put your trust in the living Allaahu,s.w.t who never dies, and celebrate His praise. (Quran 25:58) []

In Allaahu,s.w.t should the trustful trust. (Quran 14:12) []

Hadith: Umar bin Khattab said: I heard Muhammad స.అ.స,saying, "If you all depend on Allaahu,s.w.t with due reliance, Allaahu,s.w.t would certainly give you provision as He gives it to the birds who go forth hungry in the morning and return with full bellies at dusk." (At-Tirmidhi)

In a Twitter post, President Recep Tayyip Erdoğan said Türkiye has not forgotten and will never forget the Tripolice Massacre, which took place on Sept. 23, 1821, "in which thousands of Muslim Turks, our Albanian brothers were brutally and barbarically murdered."

Most shocking, however, is the fact we haven't changed. If anything, people have just gotten better at it. It used to take time and effort to massacre a few thousand people. Now, all it takes is a few bombs or a handful of carefully placed air strikes. We can condemn the ancients for carrying out such atrocities, but the sad truth is many of us turn a blind eye to similar atrocities every day.

Indeed, the Greek collusion with European powers and Russia against the Ottomans at the beginning of the 19th century set in motion a genocidal war against Muslims between 1821 and 1922 across the Balkans, the Caucasus, and southern Russia. According to historian Justin

McCarthy's book Death And Exile: The Ethnic Cleansing of Ottoman Muslims, 5.5 million Muslims were killed and five million more were displaced as refugees.

****

When the Greeks invaded Turkey with Nasara support in 1919, they publicly claimed to have come as 'peacekeepers', bringing civilisation to the East as a racist cover for their territorial expansion

Since the late 18th century, European powers have sponsored and instigated an anti-Ottoman and anti-Muslim nationalism centred on Greek Christian orthodoxy.

The Europeans helped the secessionist movement, led then by diaspora Greeks, to create the modern state known as Greece in the 1820s, and continue to encourage and nurture Greece's "Great Idea" of territorial expansionism - called "enosis" in Greek - whose exploits in the early 20th century included the capture of the island

of Crete in 1912-1913.

The fact that the emergent Turkish nationalism after World War I had to fight what it called its "war of independence" to defend the country against the Greek invasion of the Turkish region of Asia Minor in 1919.

****

Greek ultra Venizelos conspired against the Ottomans in late 1912 with Britain's David Lloyd George and Winston Churchill.-the chief villain of genocides in Palestine .... The plan was that Greece would join the Entente powers in the approaching war so as to capture Asia Minor, and in return was promised Cyprus in exchange for permanent British naval bases on Greece's islands.

****

European 'Muslim-cleansing'

After the First World War, false claims made at the Paris

Peace Conference that the Turks were massacring Greeks, which allegedly necessitated Greece's intervention, were exposed by Britain's own conference representative as nothing more than propaganda on the part of Venizelos. As soon as the Greek forces landed in Turkey, it was they who began to slaughter the Turkish population, which led hundreds of thousands of Turkish Muslims to flee and precipitated the Turkish nationalists' counteroffensive. The ensuing war resulted in the 1922 defeat of Greece and a horrific population displacement of Christians from Turkey and Muslims from Greece. It solidified Greek nationalism even further,

Indeed, the Greek collusion with European powers and Russia against the Ottomans at the beginning of the 19th century set in motion a genocidal war against Muslims between 1821 and 1922 across the Balkans,Filistine-Palestine, the Caucasus, and southern Russia. According to historian Justin McCarthy's book

Death And Exile: The Ethnic Cleansing of Ottoman Muslims, 5.5 million Muslims were killed and five million more were displaced as refugees.

The Greek Revolution's sectarian Christian motivations led to massacres against Muslims early on, beginning in the Morea, where 15,000 Muslims were killed in March 1821, followed by many more across the land, Nonetheless, it was the Greek Revolution that "set a pattern for future revolutions in the Balkans," especially with regards to massacres of Muslims and the "policy of ridding regions of their Turkish population," which amounted to Muslim-cleansing.

Greek anti-Muslim nationalism would proceed to Muslim-cleanse Crete on the eve of World War I. This was followed by the Muslim-cleansing of Cyprus in the early 1960s onwards by Cypriot Greek nationalists supported by Greece, who also sought "enosis" with the mainland.

Ongoing 'enosis'

As there had been more Greeks living in the Ottoman Empire than in “independent” Greece, the ongoing Greek aggression, in the name of pan-Hellenism, made sure this would not continue.

Greece expanded through conquest and imperial British machinations throughout the 19th century and the first part of the 20th century,

Taking advantage of the increasing military weakness of the Ottomans in the 19th century, European powers began to invade North Africa’s Ottoman regions, as did France in Algeria in 1830 and later Tunisia in 1881.

The Italians went in for the kill in Libya in 1911 when they occupied the country and made it an Italian settler-colony.

They invaded and occupied the Dodecanese islands, including Rhodes, off the Turkish coast, until their defeat by the British during the Second World War.

Rather than return the islands to Turkey after the war, the British handed them over to Greece, over Turkey’s

objections. With Italy defeated, the Paris Peace Treaty concluded with Greece gaining sovereignty over them. This is how the islands came to be annexed to Greece in 1947.

We all know that the ancient world was a violent place, but

we often don't appreciate just how violent it was. The world was in a near-constant state of bloodshed and warfare. Massacres and mass slaughter were practically a part of daily life. The numbers killed in these ancient conflicts, and the reasons given for them, can boggle the mind....... The brutality with which these massacres were carried out is awful and the lack of humanity terrifying. Whether it be for religious, political, or other reasons, humans have always been adept at finding excuses to massacre each other.

: Massacres have been a near constant in human history.

8,000 Muslim men and boys.
Their bodies were dumped in mass graves.
The peacekeepers, the Dutch government, and the United Nations have faced stinging criticism for their failure to prevent the killings.
The slaughter, judged an act of genocide by the International Criminal Tribunal for the Former Yugoslavia, was the worst single atrocity of the war, in which about 100,000 people died-killed-by the Nasara Serbs.-(Source-Internet,)

Israeli demolition orders and excessive force threaten Palestinian children’s right to education

Part 5

Israeli authorities continued campaign of repression to crush Palestinian civil society and human rights organizations

Ramallah, December 23, 2022—This year was particularly deadly for Palestinian children in the

occupied West Bank, including East Jerusalem, and the Gaza Strip. In addition to killing Palestinian children with impunity, Israeli forces systematically detained and ill-treated hundreds of Palestinian children in the Israeli military detention system, threatened to demolish dozens of Palestinian schools, and escalated efforts to silence and eliminate Palestinian civil society and human rights organizations.

Part 1: Israeli forces repeatedly and systematically shoot to kill Palestinian children in violation of international law

Israeli forces and settlers shot and killed 36 Palestinian children with live ammunition this year in the occupied West Bank. Under international law, intentional lethal force is only justified in

circumstances where a direct threat to life or of serious injury is present. However, investigations and evidence collected by DCIP regularly suggest that Israeli forces use intentional lethal force against Palestinian children in circumstances that may amount to extrajudicial or wilful killings.

Israeli forces intensified arrest operations and incursions into Palestinian cities in the occupied West Bank in 2022, leading to an increase in the number of Palestinian children killed by Israeli forces. Dozens of Palestinians have been killed in the West Bank since the Israeli military launched its Operation “Break the Wave” on March 31, 2022.

Much of the Israeli military’s targeting of Palestinian children was concentrated in the northern occupied West Bank in 2022. 13 of the 36 of the Palestinian

children killed by Israeli forces in 2022 were killed in the Jenin governorate.

Half of all Palestinian children shot and killed by Israeli forces in 2022 were killed in the Jenin or Nablus governorates in the northern occupied West Bank, according to documentation collected by DCIP.

Israeli forces shot and killed Sanad Mohammad Khalil Abu Atiya, 16, around 8:15 a.m. on March 31 in Jenin in the northern occupied West Bank, according to documentation collected by DCIP. An Israeli soldier shot Sanad as he approached Yazeed al-Saadi, 22, moments after al-Saadi was shot in the back of the head. The bullet struck Sanad in the right side of his chest and exited out his back.

Sanad was killed as Israeli forces were leaving the area after conducting a search and arrest operation in nearby Jenin refugee camp, Haaretz reported. Palestinian residents reportedly threw stones at the armored Israeli military vehicles as they withdrew from Jenin refugee camp towards Jenin's Al-Zahra neighborhood, according to information gathered by DCIP.

An eyewitness reported that gunshots were fired from the refugee camp as the Israeli vehicles left

the area. Palestinian residents who were throwing stones began to flee, as one of the armored Israeli military vehicles drove in reverse pursuing those who were fleeing, an eyewitness told DCIP.

An Israeli soldier exited the passenger side of the jeep, took a shooting position, and fired around 15 live ammunition rounds in quick succession, the eyewitness told DCIP. The soldier shot al-Saadi in the back of the head, and al-Saadi fell to the ground about two meters (six feet) from a car that Sanad and the eyewitness were hiding behind. Sanad was shot as he approached al-Saadi in an attempt to render aid, the eyewitness told DCIP.

Ambulances were able to reach Sanad a few minutes later, and he and al-Saadi were both transported to Ibn Sina hospital where they were

pronounced dead, according to documentation collected by DCIP.

Thaer Khalil Mohammad Maslat, 16, was shot with live ammunition in the chest by Israeli forces around 10 a.m. on May 11 in the occupied West Bank city of Al-Bireh, just east of Ramallah, according to documentation collected by Defense for Children International - Palestine. Israeli forces shot Thaer as he watched confrontations between Israeli forces and Palestinian youth nearby, according to an eyewitness. Thaer was transferred to Ramallah Hospital in a private car and pronounced dead around 10:45 a.m, according to documentation collected by DCIP.

Thaer left Al-Hashimiya Boys Secondary School located in the Jabal Al-Tawil neighborhood of Al-Bireh after his second class due to a teachers' strike. He and a friend approached an area about 200 meters (656 feet) away from the school where the confrontations were taking place. A group of at least 12 Israeli soldiers were deployed nearby. Thaer arrived and stood next to a building watching the confrontations when an Israeli soldier shot him in the chest with live ammunition, according to an eyewitness. Thaer did not pose any threat to Israeli forces when he was shot, according to information collected by DCIP.

Part 2: Palestinian children bear the brunt of the Israeli military's three-day assault on the Gaza Strip

17 Palestinian children were confirmed killed after

the Israeli military launched a three-day military offensive on the Gaza Strip in early August, according to documentation collected by DCIP.

Israeli forces killed eight Palestinian children in four separate airstrikes between August 5–7. Five Palestinian children were killed by misfired rockets from a Palestinian armed group, and DCIP field researchers continue to investigate two other incidents where four Palestinian children were killed.

On August 5, Layan Mosleh Hamdi Al-Shaer, 10, was injured by Israeli shelling around 4:30 p.m. near Khan Younis in the southern Gaza Strip, according to documentation collected by DCIP. Layan, who suffered a critical head injury, was transferred to Nasser Hospital in Khan Younis, alongside three

other injured Palestinian children and two injured adults. Layan was later transferred to the European Hospital in Khan Younis then to Al-Makassed Hospital in Jerusalem on August 9. No one from Layan's family was permitted to accompany her to Jerusalem and she succumbed to her wounds on August 11.

The Israeli military launched airstrikes across the Gaza Strip on August 5, killing at least 44 people and injuring at least 350, according to Al Jazeera. A ceasefire went into effect at 11:30 p.m. on August 7. The Israeli military offensive came just days after Israeli forces arrested a senior Islamic Jihad leader in the West Bank city of Jenin and killed 16-year-old Dirar Riyad Lufti Al-Haj Saleh, also in Jenin, who was protesting the Israeli military's incursion into Jenin refugee camp.

International humanitarian law prohibits indiscriminate and disproportionate attacks and requires all parties to an armed conflict to distinguish between military targets, civilians, and civilian objects. Israel as the occupying power in the Occupied Palestinian Territory, including the Gaza Strip, is required to protect the Palestinian civilian population from violence.

Israeli authorities have imposed a closure policy against the Gaza Strip since 2007 by strictly controlling and limiting the entry and exit of individuals; maintaining harsh restrictions on imports including food, construction materials, fuel, and other essential items; as well as prohibiting exports. Israel continues to maintain complete control over the Gaza Strip’s borders, airspace, and

territorial waters.

Part 3: Israeli forces arbitrarily detained, ill-treated, tortured, and prosecuted Palestinian children in the Israeli military detention system

DCIP estimates an average of 132 Palestinian children were held in Israeli military detention each month in 2022. Precise data is not available because the Israeli Prison Service has stopped releasing detainee headcounts on a monthly basis.

Children typically arrive at interrogation bound, blindfolded, frightened, and sleep-deprived. Children often give confessions after verbal abuse, threats, physical and psychological violence that in some cases amounts to torture.

Muhammad (47:21)ﷻ

طَاعَةٌ وَقَوْلٌ مَّعْرُوفٌ فَإِذَا عَزَمَ ٱلْأَمْرُ فَلَوْ صَدَقُوا۟ ٱللَّهَ لَكَانَ خَيْرًا لَّهُمْ

Obedience and good words. And when the matter of (submission)was determined, if they had been true to Allaahuﷻ, it would have been better for them.

Israeli military law provides no right to legal counsel during interrogation, and Israeli military court judges seldom exclude confessions obtained by coercion or torture.

From testimonies of 84 Palestinian children detained by Israeli forces from the occupied West Bank, including East Jerusalem, DCIP found that:

70 percent experienced physical violence following arrest
94 percent were hand-tied
87 percent were blindfolded
54 percent were detained from their homes in the middle of the night
58 percent faced verbal abuse, humiliation, or intimidation
58 percent were subject to at least one strip search

63 percent of children were not properly informed of their rights

99 percent were interrogated without the presence of a family member

17 percent were subject to stress positions

29 percent were shown or signed documents in Hebrew, a language most Palestinian children don't understand

25 percent were isolated in solitary confinement for two or more days

Part 4: Israeli demolition orders and excessive force threaten Palestinian children's right to education

58 Palestinian schools located in the occupied West Bank, including East Jerusalem are currently under demolition or stop work orders by Israeli authorities, according to the UNICEF and Save the Children-led Occupied Palestinian Territory Education Cluster.

Part 5: Israeli authorities continued campaign of repression to crush Palestinian civil society and human rights organizations
